

## Attenuated UV photodiode

Model: GS-UVV-3535LWD

### General Features:

- 
- 
- 
- 

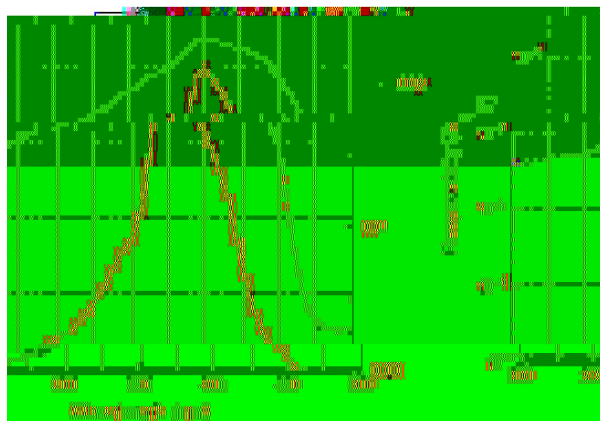

### Applications:

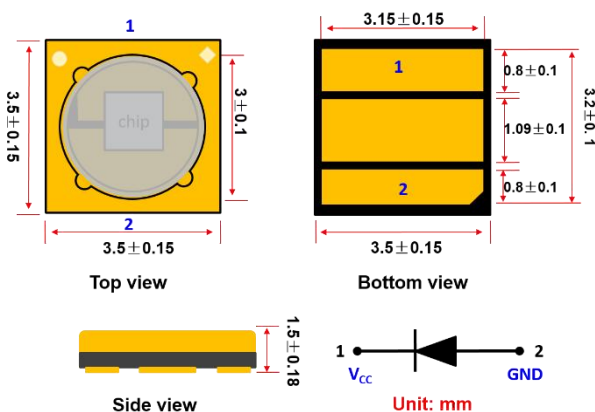

### Specifications:

Parameters	Symbol	Value	Unit
<b>Maximum ratings</b>			
<b>General characteristics (25 °C)</b>			
<b>Spectral response characteristics (25 °C)</b>			

### Spectral response

## Attenuated UV photodiode

Model: GS-UVV-3535LWD

Application circuit:

Evaluation circuit board:
